NETWORK CABLING SERVICES

Connecting the Communications of Tomorrow

About Us

NCS was founded in 1981 in Houston, TX, as a technology-driven, single-source solution provider for all our client's audio visual, cabling infrastructure, design-consulting, networking, and security needs. Since then, we have grown to more than 300 employees across six Texas locations while expanding our services to in-building wireless systems to deliver public safety and cellular communications and network-powered lighting systems.
